

Emera Maine- Notice of Change in Discounted Transmission Charges Effective 1/1/2020

Per the transmission service agreements reached with ReEnergy, which were accepted by FERC on September 27, 2018 (Docket Nos. ER18-2123-000 and ER18-2124-000), Emera Maine will offer discounted Schedule 7 and/or 8 charges for calendar year 2020 at the rate of \$1,132 per MW-Month.

Emera Maine will offer this discounted rate for Schedule 7 and 8 services under the MPD OATT on all unconstrained paths with a point of delivery at the New Brunswick border for the period January 1, 2020 through December 31, 2020, in accordance with FERC policy (see, e.g., Order No. 888-A, FERC Stats. & Regs ¶ 31,048, at 30,275).
