

## **Notice of Meeting**

Transmission provider Versant Power, formerly Emera Maine, will hold a virtual open meeting at 9:30 AM Wednesday, June 24, 2020, to discuss the Annual Transmission Update ("Customer Meeting") for the Maine Public District. An overview will be provided on projected transmission investment, rate formula changes, annual revenue requirement, rates for the 2020 Annual Transmission Rate Adjustment, and a forward-looking projection based on Versant Power's 5-year transmission investment filing (Chapter 330).

A presentation will be made followed by an opportunity for questions. Customers may participate by WebEx (audio/presentation).
